**Commissioner for Patents**

The following communication is in response to the returned Examiner's Answer on 19 March 2008 for failing to list the references in the Evidence Relied Upon section. The attachment corrects the Evidence Relied Upon section by adding the Garner and Foley references to the section.

The return also states that the claims listed in the Examiner Answer are not consistent with the Final Rejection. In the Final rejection claims 1, 2, 7, 13, 14, 19 and 25-28 were pending. Claims 25 and 27 are the only two claims appealed. The Final Rejection rejected claim 27 under 35 U.S.C. 102 under Garner and claim 25 under 35 U.S.C. 103 under Garner in view of Foley and responded to arguments. The Examiner believes therefore that the claims listed in the Examiner's Answer are consistent with the Final Rejection. Claims 25 and 27 are addressed under the appropriate grounds of rejection in the Examiner's Answer.

No response is required by Applicant. The case will be forwarded for the Board.
